# I Need Another Copy of Customer Statement!

There are times where your customers request an additional copy of A/R Customer Statement from you. You are searching up and down for Customer Statement sent, but it's not in your PC?

Reprint Customer Statement

Reprint customer statement allows you to reprint your Customer Statement that you have printed before.

Beware that printing customer statement forward will cause yourself to get '*No Results*' in your statement!

Go to *AR Customer Reports> Statements / Letters / Labels>* and click on *Reprint button* allows us to reprint previously saved statements or run incomplete statements!
